

PDS375

How do I set an Internal Scene on a PDS-375?

1. Turn on the unit
2. Go to Advanced Setup in the Main Menu Screen; Press Enter
3. Input setup; Press Enter
4. Enter and Arrow up or down until you reach Internal Scenes; Press Enter
5. Back out to the Main Screen
6. Arrow up and down to select Scene 1-6
7. Press enter and go to Scene Setup
8. Arrow up or down to the desired Scene to edit; Press Enter
9. Select the desired look; Press Enter
10. Enjoy the lights!
