

Multiverse Transmitter

Update issues with Multiverse Transmitter Updater Tool

"Error 1 Unable to open requested file"

Device Model Name: "Multiverse Transmitter (r)"

FW: 1.0.0.9.0.117

For this you will need a newer version of the updater tool and a specific version of Firmware. Please reach out to support@citytheatrical.com to obtain the correct versions. There should be only six 5910 models with this issue in the field.

Unique solution ID: #1053
